

THE ROUND – #9 vs University

THE RESULTS – 3rd grade team letting the club down again with all other grades winners!

THE DOLLAR – Thursday night at Dragon Park saw the return of the much loved Bret Silvey. The globe-trotter returned home to warming scenes receiving a round of applause upon arrival.

MISTAKEN IDENTITY – Sunday Times readers would have surely noticed the article on Willetton’s very own Matthew JohnsTon! Only problem was that writer Kim Hagdorn went through the whole article, heading included, naming MJ as Matthew Johnson! Surprised he didn’t call him Magic and discuss his days with the Lakers.

THE DATE – continuing on from the previous heading the article on MJ mentioned his proposed meeting with West Indies Captain Chris Gayle. Looking forward to hearing how that goes down!!

UNHAPPY CALLER – *“I was on the website and looked up your match report ... hoping for a bit of a write up (doot do do - 72 n/o 3 poles) on myself ... and became some what perplexed to find that Stewy got a write up for getting cordial ... and I got do-nuts.”* Micky Jurss feeling aggravated at not being mentioned in last week’s edition! Wont happen this week!! Jurss was pointed out that he did receive a gong in the local rag for his efforts with both bat and ball! Problem is that Jurss does not live in the Canning area and didn’t receive the paper. He is chasing up this article so if anybody has access to the Canning Times from close to 3 weeks ago now it would be greatly appreciated! Something to tell his grandkids one day I think!!

Unhappy caller letting his fingers do the walking

STAR PLAYER – Brad Kent tore through Uni’s top order at one stage having 5/3!! Kent (5/18) led his second grade team to a thumping win, demolishing the home side for a lowly 49!!

THE RUNS – Kalan Joyce and James Godfrey combined to help set a massive total of 339 for the 2s! Joycey (103) knocked up his first hundred for the season with Godders (91) falling nine short of the milestone! Bondy (58) knocked up another half century continuing his form with the bat.

THE PROMOTION – Blake Hall batting in single figures for the club and making double figures!! Hally went from 11 to 9 in the A grade game against Uni and scratched out 10 runs.

JURSS WATCH – DNB. Refused to bat after not receiving a mention last week, opting to drop down to number 11. 1/25 from 18 overs with the ball though.

XMAS PARTY – Last fixtures for 2009 approaching this weekend, with all grades having one day matches against Rockingham-Mandurah. Be sure to get back to the club that night for the highly anticipated Xmas Party!! Shane Plant promises to buy you a pint!

THE THOUGHT - If a cow laughed real hard, would milk come out its nose?
